

## Proposed Marlborough Environment Plan – Variations 2 and 3

### Minute of the Hearing Panel

#### Minute 6

Through Minute 5, the Panel had previously set a timeline for receipt of the Section 42A right of reply. The right of reply was due today.

The Panel subsequently received a request from the primary Section 42A report writer for additional time due to her involvement in Environment Court proceedings. That is a reasonable request in the circumstances. A two-week extension is therefore approved and the right of reply is now due by **Tuesday 2 April** (due to Easter).

On receipt, the written right of reply will be posted on the Variation 2 Portal: <https://eservices.marlborough.govt.nz/programmes/ListProgrammeEvents?id=4250856>. We encourage submitters that have an interest in the right of reply to monitor the portal at that time.
