

## Proposed Marlborough Environment Plan – Variations 2 and 3

### Minute of the Hearing Panel

#### Minute 5

The Hearings Panel heard submitters to PMEP Variation 2 and 3 at a hearing conducted in the Council Chambers on 28 and 29 February 2024.

At the conclusion of hearing evidence from the submitters, the Section 42 Report Writers provided a brief verbal right of reply, but also requested additional time to complete a written right of reply. They did so in order to reflect on the matters raised by submitters and provide a considered response. There were also a number of matters that the Panel sought further information on during the course of the hearing.

The Panel considered this a reasonable request in the circumstances. This minute formalises our verbal approval of the request for additional time at the hearing and sets a deadline on **1 pm Monday 18 March** for receipt of the written right of reply.

On receipt, the written right of reply will be posted on the Variation 2 Portal: <https://eservices.marlborough.govt.nz/programmes/ListProgrammeEvents?id=4250856>. We encourage submitters that have an interest in the right of reply to monitor the portal at that time.
